BULLIIBALL

Why Bulliiball?

Bulliiball began as a cinematic invention — a sport created for a movie, designed to deliver movement, contact, scoring, rivalry, and visual momentum on screen. But as the rules developed, it became clear that Bulliiball was more than a fictional game. It was a real, playable co-ed collision sport with its own identity.

The goal is not to replace soccer or football. Bulliiball was created by a lifelong sports fan to complement them — to unite the movement of soccer, the strategy and physicality of football, and a fast scoring rhythm into one new sport.

In a world where major sports are expanding internationally to reach new audiences, Bulliiball starts from a different idea: unite the sport, and the fans will unite themselves.

WHAT IS BULLIIBALL?

Bulliiball is a new co-ed competitive sport that fuses the **speed, footwork, and flow** of soccer with the **physicality, contact, and strategic intensity** of football.

Built for both cinematic spectacle and real-world expansion, Bulliiball puts **men and women on the field together as equals** in a fast, high-stakes format designed to stand apart from traditional sports.

The sport is governed by the **Intercontinental Bulliiball Consortium (IBC),** which oversees its development, structure, branding, and long-term expansion.

THE BULLIIBALL SHOWDOWN - RISE TO GLORY

LOGLINE

To restore her father’s legacy and the sport he created, a rebellious daughter must unite a fractured team against the corrupt powers that destroyed him—before Bulliiball’s world championship becomes their final stand.

THE STORY

Ten years after creating Bulliiball, former legend Wik sits in prison, framed for his wife’s death by a corrupt warden tied to the sport’s elite power structure.

As the Bulliiball World Championship approaches, Wik’s rebellious daughter Grace uncovers a conspiracy that connects the warden to Bali, the arrogant star who rose in her father’s place.

Determined to clear Wik’s name and reclaim his legacy, Grace pulls together his old teammates for a dangerous mission that pits family, truth, and redemption against money, corruption, and the system built to bury them.

To win, they will have to become a team again—on and off the field.

THE BULLIIBALL TRILOGY

The **Bulliiball Showdown: Rise to Glory** is the first chapter in a planned trilogy built around the world of Bulliiball.

Film One: The Bulliiball Showdown: Rise to Glory
Film Two: A Rising Star
Film Three: The Final Rise

Together, these films expand the **emotional**, **competitive**, and **generational** world of Bulliiball while building long-term **franchise value** across film, sport, music, and audience engagement.

Films Two and Three are also designed to expand into the **Votara interactive storytelling** platform, creating additional audience engagement and repeat-viewing potential.

SPEEDY

Speedy is a fierce Latina Bulliiball athlete whose speed, toughness, and fearless attitude make her one of the sport's original legends. Sharp-tongued, battle-scarred, and emotionally guarded, she requires an actress with real physical credibility, explosive movement, and the grit to carry both the action and the pain underneath it.

Potential Name Talent / Tone References

WIK

Wik is the Latino founder of Bulliiball — a gifted young athlete who helped create the sport, only to be framed, imprisoned, and erased from the legacy he built. Haunted by Emma's death and driven by a promise to protect Grace, Wik requires an actor with athletic credibility, emotional depth, and the quiet fire of a man fighting to reclaim his name, his family, and the soul of the game.

MANUEL A. CANTU

Writer / Producer / Creator of Bulliiball

Manuel A. Cantu is a screenwriter, producer, and the creator of Bulliiball, an original co-ed sport developed for both cinematic storytelling and real-world expansion.

Through Can2 Studios and the Intercontinental Bulliiball Consortium, Cantu has built Bulliiball as a multi-platform franchise anchored by The Bulliiball Showdown: Rise to Glory.

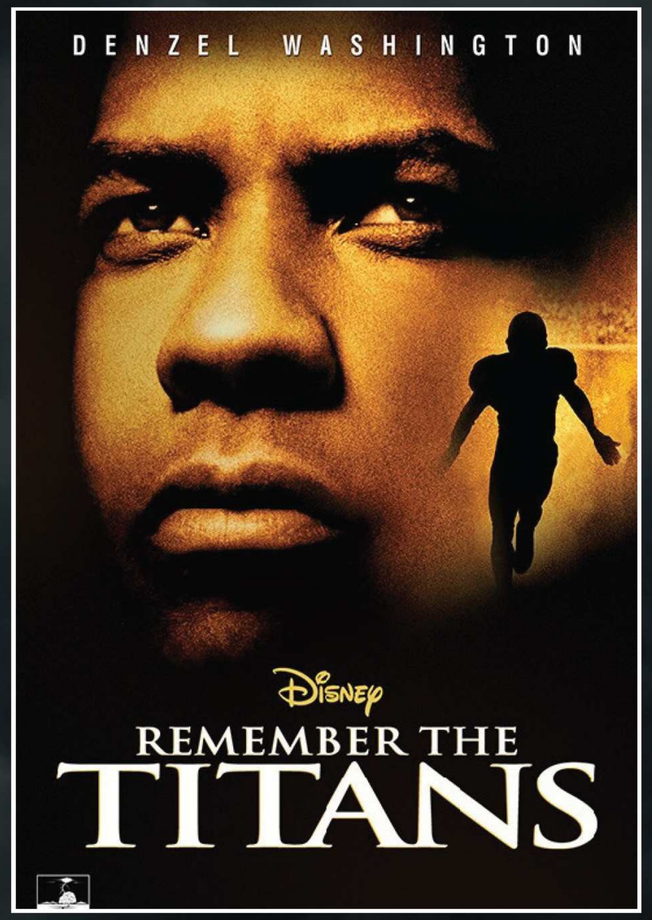

His work blends sports, family drama, redemption, and franchise-scale world-building, with a focus on creating original IP designed to grow across film, music, and audience engagement.

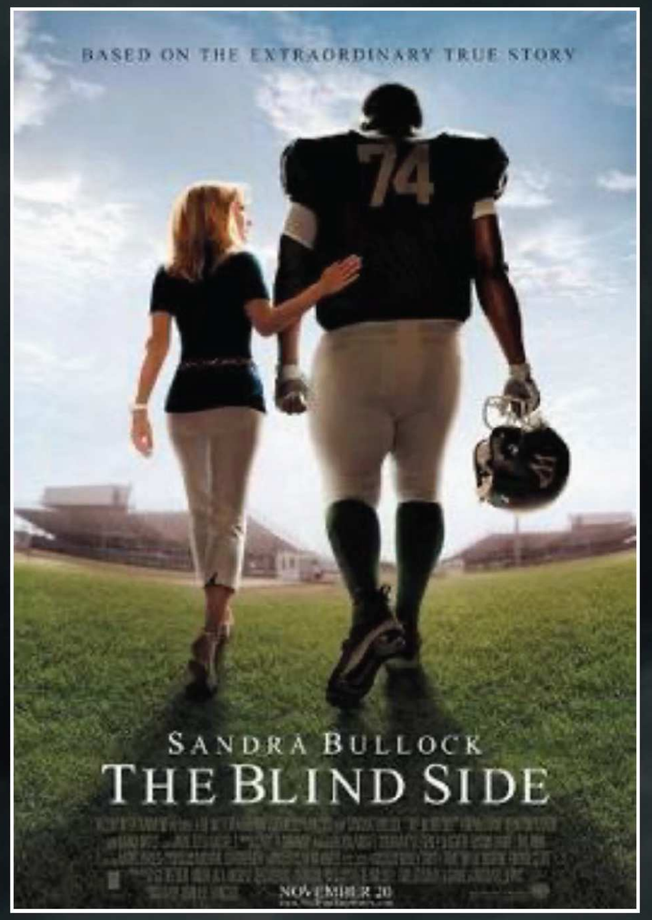

In addition to writing the screenplay, Cantu has written original soundtrack material for the Bulliiball films, with select songs already completed as part of the project's creative package.

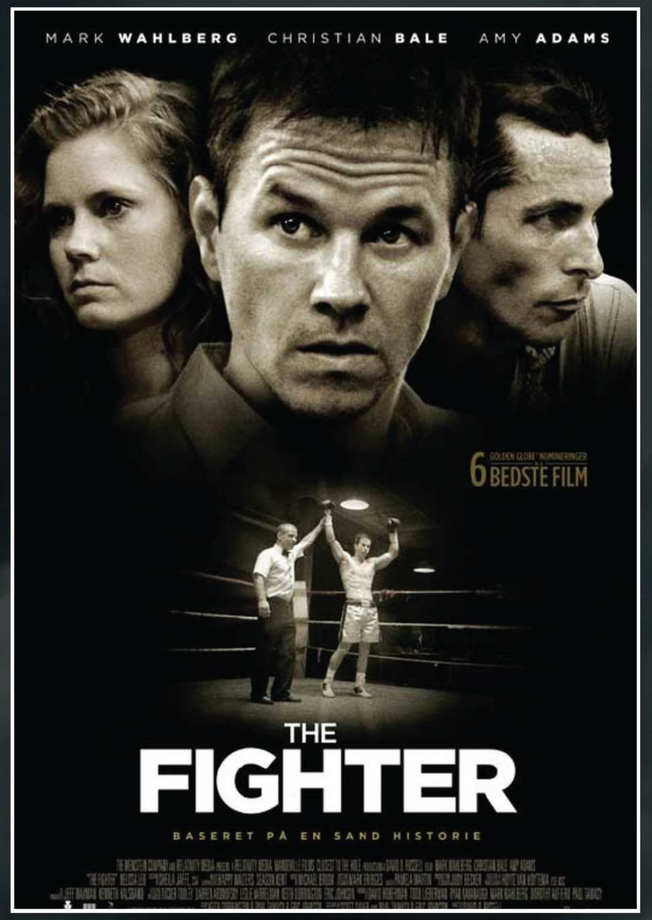

Selected soundtrack material can be heard on YouTube at @bulliiballofficial.

FEATURING

SPORTS AUDIENCES

Bulliiball is built to attract fans of high-stakes sports storytelling — audiences drawn to competition, rivalry, underdog emotion, and the thrill of a world championship setting. The film combines the energy of a new sport with the familiar emotional pull of classic sports dramas, creating a clear entry point for both sports fans and general moviegoers.

LATINO AND DIVERSE AUDIENCES

At its core, The Bulliiball Showdown: Rise to Glory is a story about family, legacy, identity, and redemption. With Latino leads, a multicultural ensemble, and themes rooted in struggle and resilience, the film is positioned to connect strongly with underserved audiences looking for emotionally grounded stories with scale and spectacle.

YOUNGER MOVIEGOERS

The film is designed to appeal to younger audiences who respond to bold visual identity, ensemble casts, emotional intensity, and franchise-ready storytelling. Bulliiball's original co-ed format and world-building give the project a distinctive hook that can cut through a crowded market.

FRANCHISE AND PLATFORM UPSIDE

As the first chapter in a larger Bulliiball universe, the film is designed to build long-term value beyond a single release through sequel potential, music integration, brand expansion, and future interactive audience opportunities through Votara.
